

Geography – Summer 1, week 3

How are beaches formed?

We will be looking at the beaches around the UK.

What is a beach? How are they formed?

Watch the video to understand how beaches are formed.

<https://www.bbc.co.uk/bitesize/clips/zc2pvcw>

Visit the link to look at the different types of beaches in the UK.

<https://www.thebeachguide.co.uk/>

Create a poster on how beaches are formed.

- *Explain what a beach is and how it is formed.*
- *Describe the different beaches in the UK*
- *How do people use beaches? Provide and draw examples.*
