The Lost Sheep

A shepherd had 100 sheep. He cared for them very much and made sure no animals came to attack them.

Every evening he took them back to the sheep fold and counted them. One evening he only counted 99.

The shepherd was very worried and went out to look for his lost sheep.

Finally, he found it! It had got trapped amongst some rocks.

The shepherd carried his sheep home and made sure it was safe.

The shepherd was so happy, he threw a party to celebrate!
