

Northwold Primary School

Sports and PE Funding 17-18

The Department of Education (DfE) provides additional PE and Sports funding to sustain and improve the provision for PE and Sports in primary schools. The school has the freedom to choose how they would like to spend the fund to improve the quality of Sport and PE for all their children.

At Northwold a healthy lifestyle and well-being are core components for the values and ethos of the school. We recognise the importance of having a broad and balance PE curriculum and extra-curricular programme in improving pupils' attitude, attainment and achievement at the highest level. The Sports Funding will enable us to continue and extend our provision for pupils to developing a healthy lifestyle.

In 2017/18 we intend to use this money to:

- ***Develop a love for sport and physical activities***
- ***Improve the PE and Sports provision at Northwold within the core day and extended day***
