Year 2 Trip to Museum of London, St. Paul's Cathedral & Monument

It was an illuminating trip. Everywhere we went, there was new knowledge to be acquired by the children. From looking at the unique architectural designs, learning about significant milestones and actually experiencing in a tangible way, things that they would have only read about - served to inspire and motivate the children. It filled them with curiosity and a craving for new knowledge. The children of year two had a memorable day. These experiences will be embedded in their memories forever.

Year 1 & Year 2 D&T Project

Thank you to all the parents and the children who brought in recycled materials for the Year 1 and Year 6 Design and Technology projects.
