## Term Dates for 2019-2020

The Education (School Day and School Year) Regulations (1999) require all maintained schools to open for teaching for 190 days a year, offering 380 sessions. The tables below set out dates for 195 days. Pupils are to be released for a further 5 days for the purpose of teachers' staff development (INSET). These days can be taken as inset days or equivalent twilight sessions

Academies, free schools and voluntary-aided schools are able to set their own dates but have been asked to set the same or similar dates in the interest of parents who may have children at different schools.

During the summer term our Year 3 pupils took part in the Steve McQueen Year 3 project. The photographs of Year 3 pupils across London are currently being displayed on billboards and as a large portrait at the TATE Britain. The photographs will be on exhibition at the TATE until 3<sup>rd</sup> May 2020.

Our Year 4 classes will be going to the gallery during the Spring Term to view the exhibition. The exhibition is free, so you can visit with your families at the weekend or in the holidays.

## Class Assemblies

Each class will do ONE assembly per year. It will be on a Friday. The assembly will start at 9:30 am and last up to half an hour. Below is the timetable for the whole year, so you can put the dates and time in your diaries. It really makes a big difference for children to see their family in the audience; we hope you can make the time for them.
