Turkey Class Geography Trip to the WWF Centre

Year 5 Turkey went to the World Wildlife Fund (WWF) Centre. It was awesome learning about wildlife in the Arctic. We learnt a lot about polar bears and what is affecting them. We created newspaper reports, videos and interviewed each other sharing our knowledge about polar bears. It was a wonderful educational experience.

Coronavirus (COVID-19) – update, advice and guidance

Dear Parents and Carers,
Please find below information received from the borough which we have been asked to circulate.

Coronavirus update

Nine patients in England have tested positive for coronavirus and if more cases are confirmed in the UK, it will be announced as soon as possible by the Chief Medical Officer.

Based on the World Health Organisation’s declaration that this is a public health emergency of international concern, the UK Chief Medical Officers have raised the risk to the public from low to moderate. This permits the government to plan for all eventualities. The risk to individuals remains low.

You should not be unduly worried about the possibility of your children catching the Coronavirus.

There is no reason why your children should not continue to attend their early years, school/setting as normal. Advice for parents/guardians intending to travel abroad this half term

We recognise that some families or children may be planning to travel abroad this half term to countries where there is a higher risk of transmission.

The affected countries are: China, Hong Kong, Japan, Macau, Malaysia, Republic of Korea, Singapore, Taiwan and Thailand.

If you are planning travel to these countries, please refer to <https://travelhealthpro.org.uk/news/498/novel-coronavirus-2019-ncov-update> for the latest travel advice.

Public Health England has also issued general advice for members of the public <https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public#advice-for-travellers>

What action you should take
A UK-wide campaign has been launched to provide clear advice on how to slow the spread of coronavirus.

Please help to support the campaign which promotes basic hygiene practices, such as regularly washing hands and always sneezing into a tissue, to stem the spread of viruses.

Best advice to washing your hands can be found here from the NHS <https://www.nhs.uk/live-well/healthy-body/best-way-to-wash-your-hands/>

Anyone who has travelled to the UK from the countries listed in the last 14 days and is experiencing cough or fever or shortness of breath, should stay indoors and call NHS 111, even if symptoms are mild.

Further information is available from <https://publichealthmatters.blog.gov.uk/2020/01/23/wuhan-novel-coronavirus-what-you-need-to-know/>

Myth busting

A number of myths have emerged regarding the virus. Please see link from the World Health Organisation fact checking and myth busters around the virus.

Term Dates for 2019-2020

The Education (School Day and School Year) Regulations (1999) require all maintained schools to open for teaching for 190 days a year, offering 380 sessions. The tables below set out dates for 195 days. Pupils are to be released for a further 5 days for the purpose of teachers' staff development (INSET). These days can be taken as inset days or equivalent twilight sessions

Academies, free schools and voluntary-aided schools are able to set their own dates but have been asked to set the same or similar dates in the interest of parents who may have children at different schools.

Steve McQueen- Year 3 Exhibition at TATE Britain

During the summer term our Year 3 pupils took part in the Steve McQueen Year 3 project. The photographs of Year 3 pupils across London are currently being displayed on billboards and as a large portrait at the TATE Britain. The photographs will be on exhibition at the TATE until 3rd May 2020.

Our Year 4 classes will be going to the gallery during the Spring Term to view the exhibition. The exhibition is free, so you can visit with your families at the weekend or in the holidays.

HM Government

CORONAVIRUS: PUBLIC INFORMATION

The Government and NHS are well prepared to deal with this virus.

You can help too.

Germs can live on some surfaces for hours.

To protect yourself and others:

- Always carry tissues with you and use them to catch your cough or sneeze.
- Bin the tissue, and to kill the germs, wash your hands with soap and water, or use a sanitiser gel.
- If you have arrived back from China within 14 days follow the specific advice for returning travellers.

This is the best way to slow the spread of almost any germs, including Coronavirus.
