Dear Parents and Carers,

I hope you had a restful half term. We are looking forward to welcoming back pupils for face-to-face education on the 8th March.

Thank you for all your hard work in supporting the children with home learning during the lockdown period. We really could not have worked with your children over the last half term in the way we did, without your help. We appreciate and acknowledge that it has been a challenging term, managing home learning while working from home.

We are also grateful for the messages of support and acknowledgement of all the hard work that the staff have done, to ensure the continuity of learning for the pupils at Northwold.

As we start to prepare for the reopening of school, we would like to remind parents of the following:

- school attendance will be mandatory and our usual rules on attendance will apply from the 8th March.
- your child should isolate if they have coronavirus symptoms or have tested positive, live with someone who has symptoms or have tested positive, were in close contact with someone who has tested positive.

Rest assured that we are doing everything we can to ensure the safety of all, when school reopens. We will be enhancing our previous protective measures to keep everyone safe. If you or your child has any concerns about returning to school or if you think your child might need extra support when they return, please contact Mrs Bhagwandas.

We would like to thank you again for all your support. Please stay safe.

Kind regards
Shelly-Ann Goulbourne
