Dear Children, Parents/ Carers,

I hope that you are all well. We have had a great week completing some fantastic work in the outdoor areas. Years 2, 4 and 3 had a forest school session where they roasted marshmallows, year 5 made omelettes on a wood fire in the forest school area, year 1 science lesson on drawing and naming body parts was completed outdoor and year 2 children became zoologist. They got their magnifying glass and went in the forest area to look for invertebrates. They worked together to create a tally chart and converted the chart into a graph in their computing lesson.

Next we will be having Healthy School Week. We are promoting healthy eating and focusing on packed lunches and the meals we provide in school. Please ensure that your child's packed lunch does not contain sugary drinks, chocolate and sweet pastry. We will be reviewing our school dinner menus in the coming weeks.

Please ensure that you continue to keep yourself safe and follow government guidelines. We will be having a few of our normal summer term activities in the next few weeks e.g Sports Day in school in year group bubbles. Unfortunately we will be unable to invite parents to these events. We are also planning class picnics for the last week of term in class bubbles. Please look out for key dates and events in the newsletter.

Thank you for your continued support during this term. Have a relaxing weekend.

Yours truly,  
S. Goulbourne
